Trophies and Awards Sponsored by the National Organization of The American Legion

POLICIES AND PROCEDURES

All trophies/awards offered in the name of the National Organization of The American Legion must be approved by the National Executive Committee (NEC). Anyone desiring to offer a trophy or award to be presented by the National Organization of The American Legion in recognition of excellence is requested to submit the offer in writing to the National Adjutant. Such offers are then referred to the Internal Affairs (IA) Commission.

Recommendations are reviewed by the IA Commission for its consideration and recommendation to the NEC. If the subsequent recommendation of the IA Commission and action of the NEC are favorable, it becomes the duty of the IA Commission to outline the procedures governing the presentation of the award and the administrative procedures necessary for its supervision.

In accordance with the above procedure and subsequent action by the National Convention and the NEC, the trophies and awards listed in this publication have been accepted and awarded as prescribed.

CLOSING DATES FOR CONTESTS

The following resolution was adopted by the 8th National Convention, held in Philadelphia, Pa., October 11-15, 1926:

WHEREAS, In present National contests held by National Headquarters, the practice requiring each Department to have its membership remittance reach headquarters on the closing date is not just or fair to those states geographically located a long distance from Indianapolis, now, therefore, be it

RESOLVED, That in such contests and in awarding trophies by National Headquarters, the closing date of any such contests and awards be specified through the use of the registered postmarked date.

And it is further recommended that no contest end on Sunday or a national holiday.

RESOLUTION NO. 19, NATIONAL EXECUTIVE COMMITTEE APRIL 29 – MAY 1, 1953

WHEREAS, For a period of many years The American Legion has authorized the awarding of trophies for various activities, the trophies in many cases being large and extremely valuable; and

WHEREAS, These trophies, through continued circulation over a period of years, have been exposed to hard usage and frequently have become damaged; and

WHEREAS, Many instances have occurred where the winners have had no satisfactory place to display them properly while in their custody, which has caused expense and inconvenience; and

WHEREAS, The continued circulation of these trophies has involved expense to the organization for insurance, repair, up-keep, shipping and storage; and

WHEREAS, It seems desirable for the reasons herein mentioned to provide for the permanent retention of these trophies in the museum at National Headquarters while providing for a suitable award to the winners of the same; now, therefore, be it

RESOLVED, By the National Executive Committee meeting assembled in Indianapolis, Indiana, April 29 – May 1, 1953, in order that the life of The American Legion irregular trophies may be extended and in order that they may be on display at all times in the museum at National Headquarters with the names of the current winners appearing thereon, and in order to provide for a permanent record to the annual winners of the trophies, that suitable laminated plaques containing photographs of the original trophies will be awarded to and retained by the winners since such plaques can be provided with an engraved plate at a cost which should not be in excess of the cost of the present system of awarding trophies.

(Because many of the trophies referred to in Resolution No. 19 above, have deteriorated through such handling beyond the feasibility point of refurbishing and restoration, they are being perpetuated through a replacement program utilizing special plaques containing photographs of the original trophies with imprinted identification of the annual winners.)

RESOLUTION NO. 29, NATIONAL EXECUTIVE COMMITTEE, MAY 5-6, 1965

WHEREAS, Resolution No. 5 titled “American Legion Trophies, Awards or Citations Policy” adopted by the National Executive Committee of The American Legion, October 21-22, 1964, and appearing on page 95 of the printed proceedings of that meeting, provides that, pending a comprehensive review of the practice of awarding unofficial awards and citations, no award or citation shall be made in the name of The American Legion without the knowledge of the National Commander by and with the approval of the National Executive Committee; and

WHEREAS, The review of the awarding of such citations contemplated in the adoption of this resolution has found there are occasions when the timely awarding of suitable forms of recognition are in the best interest of The American Legion and its programs and the National Commander should be afforded some latitude in this area; and

WHEREAS, It has also been found there are many standard citations and awards that have been issued from year to year by National Commissions and Committees and which, by precedent, have become a well-established part of the various national programs without having been formally adopted or approved by the National Executive Committee; now, therefore, be it

RESOLVED, By the National Executive Committee of The American Legion in regular meeting assembled in Indianapolis, Indiana, May 5-6, 1965, that the National Commander, upon the recommendation of National Commissions and Committees concerned, is authorized to present suitable awards to members of The American Legion or to organized groups of The American Legion in recognition of outstanding activities or contributions within the area of interest of the recommending National Commission or Committee; and, be it further

RESOLVED, That the National Commander, with the advice, or upon recommendation of the Commander’s Advisory Committee, is authorized to present suitable awards to individuals and to groups outside The American Legion in recognition of outstanding activities contributing to the fulfillment of American Legion policies, principles, and objectives; and, be it further

RESOLVED, That all awards made under the authorization of the preceding two paragraphs shall be reported by and through the Trophies, Awards and Ceremonials Committee to the National Executive Committee at its first meeting following the presentation of such awards and the report shall be made a part of the proceedings of that meeting; and, be it finally

RESOLVED, That continuing awards or annual awards that have been created by National Commissions and Committees and that have been issued for a period of at least two years prior to the adoption of this resolution are approved.

RESOLUTION NO. 21, NATIONAL EXECUTIVE COMMITTEE, MAY 1-2, 1974

WHEREAS, It has been the practice of the National Organization of the American Legion to award to the winners of the various national competitions in addition to other elements of recognition, engraved gold plates suitable for attachment to the staffs of the winners’ colors; and

WHEREAS, A survey of the Departments which have received these gold flag pole bands indicates that such bands are neither displayed as intended nor desired as a means of recognition; and

WHEREAS, The increases in the price of gold and the costs of engraving threaten to make the awarding of these gold flag pole bands a disproportionate budget item; now, therefore be it

RESOLVED, By the National Executive Committee of The American Legion in regular meeting assembled in Indianapolis, Indiana, May 1-2, 1974, That the practice of awarding such gold flag pole bands in conjunction with the awarding of the various national trophies and awards by The American Legion is hereby discontinued.

National Department History Contest Awards

Description

General: Plaques and certificates awarded for 1st, 2nd and 3rd place winners. Certificates of Honorable Mention awarded at the discretion of the National Historian and Certificates of Participation are awarded to all other entries.

Inscriptions: National Historian's Contest – Department Narrative History or National Historian's Contest – Department Yearbook History.

Sponsored By

National Headquarters, The American Legion, The National Historian.

Authority

The National Department History Contest was authorized on November 13, 1930 by the National Executive Committee. Beginning with the 1952 contest, regulations were changed to include two types of entries. The first type (Type I) includes histories covering the entire period from the inception of the department to any time subsequent to the 1948 National Department History Contest. The second type (Type II) was restricted to a supplement to a history already issued, provided it included the period where the earlier history ended and covered at least ten years, thus bringing the entire series to date. Beginning with the 1979 contest, the previous types of contests were discontinued and regulations were changed to establish a One-Year National Department Narrative History Contest and a One-Year National Department Yearbook History Contest (Term "Scrapbook" also used). Both the narrative and yearbook histories begin with the installation of officers and include the period up to and including the department convention. Department history contests were held every fifth year until 1985 when both department and post history contests began being held annually.

*Contest conducted in 1969 to coincide with observance of the Fiftieth Anniversary of The American Legion.

How Awarded

Awarded annually at the Fall meeting of the National Executive Committee.

Conditions

1. Said awards to be made only to those departments whose entries comply with the "National Department History Contest" rules.
2. *Contest conducted in 1969 to coincide with observance of the Fiftieth Anniversary of The American Legion.
